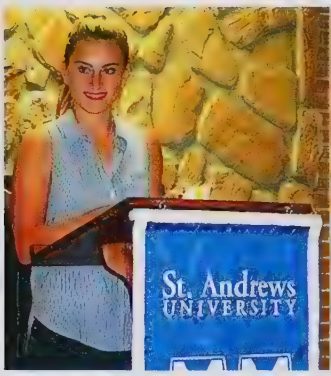
EXITS

A note from the Editor



I want to start of by saying a huge "thank you" to Maria Dalmasso, who was the advisor for the Lamp & Shield, as well as Nina Jurac and Emily Scott. We were able to come together and pull off creating a great yearbook packed with precious memories.

This was my first year being on the staff of the Lamp & Shield. Most people do not realize all the work that goes into creating a yearbook but in the end it was all worth it! Looking through the pages brings back so many happy memories spent with friends, staff and professors.

I hope you enjoy,
Sophie Kasian
